II. Basis for Jurisdiction

Under 42 U.S.C. § 1983, you may sue state or local officials for the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” Under *Bivens v. Six Unknown Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971), you may sue federal officials for the violation of certain constitutional rights.

A. Are you bringing suit against (check all that apply):

☒Federal officials (a *Bivens* claim)☒

State or local officials (a § 1983 claim)

B. Section 1983 allows claims alleging the “deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws].” 42 U.S.C. § 1983. If you are suing under section 1983, what federal constitutional or statutory right(s) do you claim is/are being violated by state or local officials?
Admendment 26

C. Plaintiffs suing under *Bivens* may only recover for the violation of certain constitutional rights. If you are suing under *Bivens*, what constitutional right(s) do you claim is/are being violated by federal officials?

-
- D. Section 1983 allows defendants to be found liable only when they have acted “under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia.” 42 U.S.C. § 1983. If you are suing under section 1983, explain how each defendant acted under color of state or local law. If you are suing under *Bivens*, explain how each defendant acted under color of federal law. Attach additional pages if needed.

Violation of Amendment 26

III. Statement of Claim

State as briefly as possible the facts of your case. Describe how each defendant was personally involved in the alleged wrongful action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- A. Where did the events giving rise to your claim(s) occur?
United States of America
-

- B. What date and approximate time did the events giving rise to your claim(s) occur?
many times in the past and currently
-

- C. What are the facts underlying your claim(s)? *(For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)*
That the 26th Amendment has been violated by not guaranteeing those 18 and over that their vote as US citizens are not disenfranchised by not having a universal US voter ID card. That violates their rights under Amendment 26. That applies to all US citizens 18 years of age and over.
-

IV. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

If the 26th Admendment is not followed - then the injuries are unbelievable. That means the votes of individual US citizens 18 years of age and older are negated/disenfranchised and it gets worse from there as the elected officials are not necessarily in there by popular vote but possibly through fraud. Talk about disenfranchising all US citizen votes of those 18 years of age and older. Not having a universal voter card allows election fraud to take over.

Even worse - those who get elected in a fraudulent way want that to continue so they will try to keep any measure for a voter id card stopped.

Again, a violation of Amendment 26 for US citizens.

V. Relief

State briefly what you want the court to do for you. Make no legal arguments. Do not cite any cases or statutes. If requesting money damages, include the amounts of any actual damages and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

As this has been going on unchecked for a long time with all US citizens 18 years of age and older being prejudiced by it during different general elections.

And consequently all Americans ages 18 years and older being disenfranchised in the past at one time or another.

Feel that for every US citizen 18 years of age and older:

For past damages - \$5,000 for every citizen of the US. This money would come from the US media for past violations of the 26th amendment.

\$1,045,640,470,000 dollars
